All images selected for graduation announcements must be of poses already purchased. Otherwise a \$10 retouching fee per pose will be applied. We will create your custom graduation announcements and email a design for you to approve before we go to print. You will receive this proof within 7-10 business days of placing your order. If you need it sooner, a **\$15 rush fee** will be applied. You may request up to 2 complimentary design changes. Additional changes are billed at \$5 per revision. Once we receive your final approval, we will go to print and your cards will be ready for pick up in 1-2 weeks. If you need your order sooner, an expediated shipping fee will be applied.

Below are some samples to give you ideas of different designs and wording options. You are welcome to choose one of these designs or we will create a custom design for you! Also, the colors and fonts can be changed in any of these samples!
